**You're invited**  
to  
**MEET THE CHALLENGE OF  
KALAMAZOO Rotary Noon CLUB & support  
the Rose Park Veterans Memorial  
Lighting Fundraising Campaign**

**The Kalamazoo Rotary noon club has  
generously agreed to match up to \$3,500  
raised by other Rotary Clubs in the area.**

***Please ask your fellow Rotarians to support this effort and note their club  
on the donation brochure or send donations directly to:***

**Kalamazoo Community Foundation  
151 South Rose Street, Kalamazoo MI 49007  
KCF/Rose Park Fund**

*Kalamazoo Sunrise Rotary has launched a second fund-raising campaign to replace the outdated, damaged lighting system. City engineers have been instrumental in evaluating the existing lighting and various alternatives for enhancement. The recommendation is a new system that features traditional above-ground pole lights that reduce water exposure and increase overall illumination. Additionally, the above ground fixtures offer energy efficiency with LED lighting that will result in operational and maintenance savings. The above ground system also will assist to reduce vandalism to the lighting.*
