

To Club Rotary Foundation Chairs (or Presidents if you don't have a TRF chair):

PDG Ed Foster has added a section to our District6360.com web site designed for you! Go to the home page, look to the left column and click on The Rotary Foundation, just above Rotary International. There you will find resources to help you accomplish your club goals for 2010-11, including the contribution form and some of the material we distributed at the July training session for TRF club chairs.

You will also find the chart showing your club Annual Program Fund and Polio Plus goals for 2010-11, and your monthly contribution report to mark your progress. If you have requests or suggestions for additional materials to include, please send them to PDG Kathleen Tosco (District Rotary Foundation Chair) at ktosco@ntelos.net.

Please remember that November is Rotary Foundation Month. Check with your program chair to get on the agenda for a Foundation program. Get the date, and I will work with you to provide a quality program (speaker, DVD, etc.).

Position openings on the District Rotary Foundation Committee: Ambassadorial Scholarship Committee, Peace Scholar Committee, Paul Harris Society Committee, Permanent Fund Committee. Contact me for details.
