Greetings and Happy New Year;

It is time once again to invite all clubs in District 6360 to submit applications requesting District Simplified Grants (DSG) to fund projects in the 2010-11 Rotary year. Just some of the projects supported with these DSG funds in the past have been:

- School Supplies, for School in Dominican Republic
- Tree Plantings, for Community of Union City
- Bedding, for Orphanage in Mexico
- Food Back Packs, for School in Battle Creek
- Child Safety Seats, for Community of Oshtemo
- Bike Trail, for Community of Hillsdale

Completed applications are due back to me, or any Grants Committee member, March 31, 2010. Applications received after that date will not be considered.

The Committee will meet within the first two weeks of April to review the applications, determine eligibility, and set award amounts. Generally we will award the amount requested. If however, the total funds requested in accepted applications exceed the amount available for distribution, the committee may award an amount less than that requested.

Clubs submitting applications will be notified of the status of their requests at the conclusion of the April Committee meeting. Funds will be distributed to successful Clubs shortly after July 1, 2010.

I've included the application form and the RI Criteria for your use. If you have any questions, please email me at the above address.

Yours in Service,

Cheryl Vander Veen
