"After this experience, other challenges no longer seem insurmountable."

Outdoor Education Center

Dowling, MI 49050

Camp is limited to 60 students this year and will be accepted on the basis of their completed applications from their community Rotary Club.

"Learn by doing..."

The weekend conferences use a "hands on" and a "learn by doing" approach to leadership development. Rotary District 6360 believes that this conference can assist many young leaders to realize their potential and to exercise their experiences as they assume their leadership positions

When you learn from experience you

Safety is the number one priority of the conference. All high ropes participants wear appropriate safety gear - helmet, harnesses and sling lines. All ropes activities are led by certified Adventure facilitators.
